

K-6 Family Math Games Night

Beddington Heights School

Come to Beddington Heights School and spend an evening playing a variety of K-6 math games! Each registered family will receive a packet of math games to play along with the presenter, and materials will be provided for use during the event. Bring your best energy and be ready to PLAY!

Benefits for Kids:

Games are a fun way to review and strengthen basic math skills at home!

Children who are secure in their math skills will grow in self-esteem and have greater success in school.

Benefits for Parents:

Games are a motivating, simple and economical homework support that reinforce concepts taught in school.

Your presenter will provide you with strategies, tips and tricks to help your child with math fluency.

Games Reinforce:

- Counting
- Basic Facts: $+$, $-$, \times , \div
- Problem Solving
- Place Value
